

The 9TH HTAsiaLink Annual Conference

Dear HTAsiaLink members and colleagues,

Due to the vastly changing landscape attributed to Coronavirus Disease-19 (COVID-19) global outbreak, the 9th HTAsiaLink conference is **postponed** until the following year of 2021. This decision is based on HTAsiaLink board meeting on June 12th held by the HTAsiaLink secretariat and the Local Organizing Committee of the 9th HTAsiaLink conference.

The certainty of the date will be assessed regularly and depending on the situation in various countries related to the COVID-19 disease outbreak, the detail of which will be discussed at the next board meeting.

We thank all countries that participated in sending the abstracts, as we will keep it to our database system. Should you wish to retract the abstract, please send your inquiry to our secretariat Mail: **htasialink2020@cheps.or.id**. If so, we will delete the abstract from our database and encourage you to re-submit when the portal is reopened.

For further questions, please contact our secretariat through the same mail, **htasialink2020@cheps.or.id**. Please kindly share this notice with colleagues if necessary.

We wish you good health and safety. Thank you for your attention.

Best Regards,

Prof Budi Hidayat, MPPM, PhD

President of HTAsiaLink
